For those who may not know, Kozar plays in n00bsvr01 as "genlkozar", and he is Crimsons brother. His iron-fisted moderating style has made him popular with the folks who like him, and disliked by those he n00bs or kicks for GTA.

Just for fun I created this poll, to see what people really think about him. Vote as you will. Too bad there's no "he's a half-wit" option.
