thanks a lot, i thought id never have renguard again! yall both helped a lot, my renguard worked right after i uninstalled it from the add/remove prgrams thingy, i dont know how that would effect the renguard, dont bother telling me i dont really care.....thanks again =)

EDIT:

ok, new problem, when i get into a server it closes renegade and says im cheating cause there is a game.exe corrupted file, how do i get rid of that??
