Ok, First off:

Westwood closed down some time ago, WOL (Westwood Online) moved to XWIS, who have a different system for nick registration:

\*Main menu\* --> Multiplay Internet --> Westwood Online --> Advanced Game Listings

and a box saying "Login:" and "Password" will appear. Enter any name you like (up to nine letters or numbers) and any 8 letter password, if no one else has registered the account, it's yours.

This is also in the wrong place, still, that was your first post.
