SeargentSarg wrote on Sat, 27 January 2007 19:30 Stop making excuses, honestly. I have proof you tried to login to my account, without my permission. I have proof you lied that you never tried to login into my account after you tried to get BR Private Beta. So you lied. You should be held accountable for your actions, and possible banned from renegadeforums.

Anyone else agree?

I just admitted it Greg..

No need to bring more things up man..
