ROFL, again im glad to see ive started YET another great thread. Appearently im the #1 MOST talked about player in renegade, even according to stone so thats even a start. Now, killer, who dodged a 3vs1 request and is (like i said b4) the uglyest sack of shit you will ever see (hopefully you wont), is saying, "UR MOM!11". LMAO.

Then fl00d3d's like, "St0p s4y!ng 1m p0or anD sh1tz". Great stuff guys. All in all, Atmoic said he talked to the xphaze people and they cleared his name, well i went back they denied EVER having talked to him, he now says he never sayed that and stone, well you have the info, make your own verdict
