Greg I have told you before, all i was trying to do was apologize to you man..

I dont wanna start stuff up again dude.

for 1 yes, I have made alot of clans that die quickly.

for 2 yes, I have lied, but everybody in there life..Like your old lies you admited, this is my lies, I forgave you.

for 3 I dont like it when people are trying to make my pull a full assult on myself, and trying to get stuff out of me..

for 4 why are you being a dick to me man..I gave a test server for like 20mins(sorry for the short server ), you have given me a lot of things before, I respect that greatly.

I didnt want to start anything up in the Renegade Community, I just tried to post a link to my website, Im sorry for all the Chaos i've caused.

-Deeply Sorry

-Middle.
