I was trying to be the bigger man and leave it all alone.. I was on his irc all night, then I came back from church to find myself being banned for "No Gay Hour" so I wanted to know why I was banned, and then we had that msn convo. I thought everything was cooled down and all that.. I even kinda stated it clearly "I believe my job here is done" but tyler wants to continue it. Oh well. Btw, nice to see you back jbal, where youve been?
