Alright, I've had a few people recently asking me about a rant or something I did in IRC channel #apathbeyond. I HAVE NEVER BEEN IN THAT CHANNEL. I just recently started using IRC (about a week at the time of this message), and the only channel I've been in is #n00bstories. I passworded my nick only a day ago, so it was probably up for grabs before that. I don't know why anyone would want to use my name to rant in a channel I've never been in.

PS: No one has actually told me what was said, merely that it was negative.

PPS: No, I don't care if this is in the wrong sub-forum. If you want to move it, great. If you're not a moderator/administrator, shut up and let them do their job.[/rant]

PPPS: I personally favor NS forums over RenForums, so don't expect me around often.
