Once on the Walls.flying map, this GDI n00b approached the base...he was like rock hugging and walking towards the Nod base entrance.

I was on the bankments on the top with my usual BH laser minigunner character. I saw the n00b coming...in predictable jumps and turns.

Then I aimed for him...I noticed his health was like 2 red blocks. I fired for maybe an instant and the n00b died.

Then he came back and called me "bastard cheater." I told him "idiot, you health was like 0."

He called me more names then stopped. What a dumb n00b!
