Copy and past it in, like so.

Do the same thing for C&C95.

The only thing I have seen change was a network option appeared in the multiplayer menu. But I have 4 computers and thats enough for me.

Size: 41.5 KB

The main area of the File Explorer window displays a grid of files and folders. The files are arranged in rows and columns. The file 'THIPX32.DLL' is highlighted with a blue selection bar. Other files include folders like 'RED ALERT', 'EDDOS', 'EDWIN', 'RA', 'RA95', and 'RASETUP'. There are also several .DLL files, .TXT files, and a .386 file. The grid shows a variety of icons representing different file types and folders.
