23:35Wow, an essay reply? Plx die

Too long, but I think I can guess what your saying. Basically, you have no idea and i do believe ACK DOES have just a little bit more knowledge about that map (agreed?). I dont feeling like digging up the topic but he said before it was flying, they (WS), released a map called "glacier" for the beta testers althought it was about 95% finished. Im sure crimson or some other beta tester can verifi this, cuz ACK is banned now. Anyway, I was MRL on that map and dont recall any flying vechiles, so it could have been just "glacier", meaning I also could have been playing it before release because I did have it at the time. Thats long ago, I dont remember, im glad to see you care so much which was my first map, and glad to see you roming my site, THNX

Yes, Aircraftkiller does have significantly more knowledge than either you or I on the map which he finished, C&C\_Glacier\_Flying.

Also, I should point out to that at this point in time (1:23 AM, Feb. 4, I am extremely intoxicated, due in part to the fact that it is my 20th birthday and live at a fraternity, yet somehow, I can still manage to type coherently and spell correctly, unlike your stupid ass.

And yet you do admit that your dumbass is too fucking stupid to read a response that, according to you, is in "essay format." I guess that's what your generalization is for an "intelligent reply."

Also, Aircraftkiller is not banned, he is simply inactive because he no longer posseses any observable interest in this game (you fucking idiot cuntbag).

Additionally, Crimson cannot verify that "C&C\_Glacier" was released for testing in the beta phase, because it is simply not true, you arrogant cuntbag.

By the way, have I mentioned that you have absolutely zero grammatical ability whatsoever? You arrogant cuntbag. Fuck you and the entire shthead stereotype associated with you. You are worthless and everybody hates you and everything you stand for. "Dont?" Do you mean "Don't?" "althought," do you mean "although?" "Im," do you mean "I'm?" "verifi," don't you mean "verify?" "cuz," don't you mean "because?" "Anyway," don't you mean "Anyways?" "dont," don't you mean "don't?" "vechiles," don't you mean "vehicles?" AND "roming," don't you mean "ROAMING?"

You arrogant worthless stupid ass sack of shit fucking douchebag. Fuck you and your pointless superiority "I am better than you at Renegade and everything else" complex. Everyone in this community obviously hates you and there's a damned good reason for it. You are a dumbass 17-year old who thinks he's entitled to some type of respect and glory yet in reality you are just a douchebag that pisses everyone off with your arrogant display of idiocy. Go to hell, you piece of shit.

That's right, you suck ass, go fuck yourself. I hope you have the ability to read and interpret this "essay reply," you stupid sack of shit. Good luck.

What he meant to say was:

Troop, your a cuntbag
