OK troop, how about this you want to talk about dodging, blah blah blah.

you wont play stone, you wont play spoony. How about playing me 1 vs 1. You sit around theseforums all day long a cry cheater, thief blah blah. Play some of these 1 vs 1 games youve been challenged to. hell I would love to see you play Pirate, Spoony, or me.

No gay ass end game ped, no other stupid bullshit you run on your public server.

Im sure spoony or someone will let us lock down a server for a couple 1 vs 1 games. Just to watch you get your ass handed to you.
