This is after i saw troop in the noobstories CCM 2 server. I joined up (on his team unfortunatley) and asked him for a 1v1. To sum up, he dodged his face off while talking all kinds of shit, but completely ignoring my requests for games. I ended up playing his buddy VKPhoenix in a 1v1 snipe, sat all over him and he left with 6 minutes remaining after he spawn killed me and declared himself the winner. Hmmmm.. reminds me of a certain mesa game that has invisible screenshots that only troopr02 can see. oh, and when the 3rd map loaded and i was finally on the opposite team as him, he of course, leaves the game like a little bitch. keep up the dodgefest troop.
