ROFL. So before denying ever having the nickname "h34d5h0t" or something similar, you change your story again, denying you every denied have that nickname? Wow your a fucking faggit. Then I said, "ok how would I know your name", and you make some bullshit story about having it in your sig? Idk if you did/didnt, both me and u know thats now how I know it. And finally ANOTHER BULLSHIT, "my brother used that account", ROFL. Seriously, you are a registered fucktard, Ignore User +1

You're a tard. What grade are you in? Because it seems that you lack the ability to read english. When did I ever deny that I had the nick h34d5h0t? It's even my registered name on some forums.. :\ And where did I ever say my brother used my account.. sigh.. My brother bought the game of renegade, I was staying at his house and played it with him.

You're talking about changing stories.. last time you said you played me under the nick "Ralphzehunter"..

You're scared to lose so you make up shit lol? It's ok, dodge more, thanks.
