MadtoneImdgr8oneMadtoneok try this for sizes.....

Im 16, i have been living in australia by my self for about 9 months now, i have my own job.

Im currently working as a Analyst, studying how programs work, how to improve them, and also creating new a better technology to work with.

I left school at 15.

Now i have to pay rent, i have to pay bills, i have to buy my own shopping.

I am living in a country that is new to me, and my mother (no father) is on the other side of the world.

If i can look after my self and get a good job, then any one can.  
why?

Why what?

Why'd ya do it?
