Alright, today at work me and some of my co-workers got into a big debate on who is the funniest character. Homer Simpson or Cozmo Kramer? Now if you ever watched Seinfeld and The Simpsons then you'll know who I am talk about.

So I just want to know who you think is funnier. Homer Simpson or Kramer? And you can explain reasons why. I'll go first.

I thought about this alot and even though Homer is one of my favorite characters to laugh at I would have to say Kramer is way funnier.

Reason why I pick Kramer cause the way the plot is. You know its like in a real life scene. See shows like Seinfeld, That 70's Show, Friends, etc. have to have a plot and have to make sense cause its in a real life environment. I mean it can be funny but it has to make sense.

I'm not saying Homer is not funny, its just that since its a cartoon the plot really doesn't have to make sense since its a cartoon. On a cartoon they can make anybody look and sound funny. I mean they can take the boringest guy on Simpsons wich is Hans Moleman and make him seem funny.

Thats the reason why I say Kramer is funnier. Cause its set in a real life envirnment. I mean imagine one of your nieghbors walking down the street wearing a techo color dream coat and a messed up woman's hat with a cane thinking he don't look like a pimp. He think he looks good but he does not know he looks like a pimp. Or imagine having a plan to collect soda cans and bottles and store it in a truck and go on a road trip to Minnesota just to cash it in for 10 cents a bottle and can. Thats funny cause it makes you think of things like, "What happen if that really happened."

Thats why I said Kramer is funnier cause its set in a real life environmant. See the Simpsons are funny cause its a cartoon and a cartoon doesn't have to make sense. Not only that, I have thought about doing some of the stuff from the show Seinfeld.

I'm not saying Hoemr isn't funny, cause he made me laugh many of times. Its just Kramer just takes the cake.
