Hey, I just got C&C Renegade mainly for LAN with my bros, but I look on the net and see all thease patches, mods, bot stuff etc. It iss all really confusing and I am just wondering if there are any renegade "know it all's" out there who would add me on MSN [MICHAEL_STEPHEN_LAFORTUNE@HOTMAIL.COM] and give me some tutorials on all thease add ons. By the way, nice forums here.
