I removed the copyright notice for 3 reasons.

1. Its dumb to have superflous text on a background wallpaper
2. I found this picture on usenet, so I can do what I want with it.
3. I do not recognize someones "right" to take free 2 images from a fansite kit, paste them together, and then sell or copyright it. If it belongs to anyone it belongs to Westwood or EA.

If anyone disagrees you have 2 options:

1. Don't download it
2. Report me, in which case the worst that will happen is a notice to remove the image, at which point I will also inform them that you can also download it from 50 other websites so they better get busy.

P.S. don't forget to also report havoc9826, since he also illegally altered this "copyrighted" image
