You did this, didn't you! --> <http://abclocal.go.com/wpvi/story?section=local&id=5062501>

thats just insane! good thing they will be judged as adults though. ofcourse that still doesnt mean shit since they might get a few months for assault or something....

also was the student going to get his ipod back?? and how many times was he warned is also a factor. i mean i would be pretty furious if some teacher was to come up to me and take away my ipod for good with no warning (im sure that isnt the case though) but some ipods can be expensive, especially for a highschool student.
