Merovingian wrote on Tue, 06 March 2007 08:46He's not modelling them, our 3D artists are modelling them, he's just rigging them for the game.  
Don't forget animations! We are really grateful for his support, expect to see some stuff from him in the latest blog.

Oh and Merovingian, he'll probably have more than enough time to keep doing weapons here for release. We haven't got that many ready But we'll see how it plays out.
