maytridyIn commando, where can i find a thick black smoke emmiter? I can't find one in the Dummy Obect>Demo Level folder.

As far as I can remember, all of the following will produce black smoke at different levels of intensities.
e_c4_smoke.w3d
e_c4_smoketrail.w3d
e_f3strifpatfs.w3d
e_fallfire1.w3d
e_Flame04.w3d

Hope this helps
