Crimson wrote on Tue, 06 March 2007 22:04It isn't being released open source to the best of my knowledge. It doesn't work with a bot, it's a DLL that gets loaded into the server. Bot writers will have to update their software to read the output in the logfiles if they want to display it in IRC.

no bot of mine is going to read from log files. that is the dark ages. unless i am reduced to that, i hope not though.
