Well not everything is fucked up, I do enjoy playing it, but I hate the fucking gay movement in it.

In the old CnC games, you could line up the tanks and troops in neat lines and shit, in generals and cnc3, you cant do that, you pick a spot and the unit moves towards it but not on the fucking spot.

That really does annoy me.

Yeah, them dumping all the TibSun units outta the game, really sucks too, fuck EA.

Other then that, alright.
