I decided to make a simple text replacement for renegade Only works for u no one else will see it ingame.

-
1. Extract Strings.tdb to your default westwood/renegade/data folder
 2. Load Renegade and Go
-

Changes-

Destroyed to Terminated
Purchase Request Granted to Access Granted
Killed to Defeated
Buddy List to Friend List
Not logged in to Offline
Logged in to Online
Credits to Money
Time remaining to Time Left
Host to Admin
Building... to Creating...

Thats Pretty much it, I think I covered it all
