---

Should I get the BFG 7950 512MB video card.

Or?

Wait for the 8600 card? I couldn't care less about DX10 as by the time I get vista way better cards will be out anyway.

If I get 7950 I can get is now!

8600 wait about 30 days!

WHAT SHOULD I DO!!!!!!!!!!!!!!

DO NOT SUGGEST ATI I LIKE NVIDIA BETTER!
