gbull wrote on Thu, 15 March 2007 07:52meh, I was good with my High School. But mine wasn't exactly what you'd call a poor area by any means either. Grandville was very well equipped, and most teachers were competant enough to teach(don't think I had one that wasn't). Not sure if competition between schools is the answer, but it would be an interesting experiment at the very least.

Tell that to my parents who were in full support of this when it was introduced a few years ago.
