Direct Quotation from blizzards website V

"Can I write novels, screenplays, theatrical productions or other adaptations based on your games?

No. Blizzard Entertainment® reserves the right to extend and expand our properties to other media. We want to provide a consistent story and universe for our customers, and want to ensure that only the highest quality, officially licensed and approved material is created based on our characters and other creative properties."

So legally, I can't continue basing models off of sc and distributing them.
