It's a sin to pass judgement on others. Just live your life. It's not your fault if you're right just as it isn't their fault if you're wrong. I believe Jesus died for our sins, but it's no skin off of my back if someone else doesn't. It's their soul, not mine. Can Christians disprove it's not Jesus in that tomb? The answer is yes, and no. For me, Matthew is proof enough. To unbelievers, it's not. Can unbelievers prove it is Jesus? The answer at the moment is a resounding no. At the moment, publically there just isn't any evidence behind that claim. Personal testimony(Book of Matthew) is more proof than a guess to me. Especially since there is no gain for Matthew by making up the story.
