gamemodding wrote on Tue, 20 March 2007 12:12i still got a few years of maturing to do. i'm sure you can wait that long Like many people have said before, there is an ignore. We have all (except the < 14 year olds) have been through this stage at one time in their life.

I do use the ignore function on you, and have done for some time. I used the "reveal" button for this post because I assumed your reply would have something to do with my post.

The only thing with the ignore function is that it makes the forums look a bit untidy for me. Kinda like when a mod moves a topic to another forum, that looks kinda shitty too.

//edit someone deleted your post whilst I was replying to it.
