sickjoce wrote on Thu, 22 March 2007 18:26i just download renegade from the internet but its a copy paste game ;(so it works but i cant instal patch or play on the internet becaus it doesnt have regestry file can u help me plz and fast ???

You should not download games. You should BUY them.

Renegade costs about 5-10 \$. Stop being a criminal and buy the game. Then it will work as needed.
