I actually have a theme for all my vehicles, not just the stealth tank. My flame tank plays "The Heat is On," my mammoth plays "Fat" by Weird Al, my Stank has the Hockey Night theme, and my APCs play the William Tell Overture for GDI and the Imperial Theme from Star Wars for Nod. If that's cheating I guess I will have to quit playing, because after playing vanilla Ren for about 6 years it's just not that much fun anymore.
