Group of friends all in their teens; prime years in highscool. 4 xbox's 4 tv's 4 copies of HALO 1. Party pack of donuts(few people work at the local donut shop), bunch of drinks(people work at the local wholesale grocery store). Fill up all 4 xbox's with people. Arrange everyone on coaches in the same room so people on one tv can't see any other tv screens.

Your about to have the best 6 hours of our life. For those of you who think not you probably haven't experienced it.
