"considerably"? ROFL. I heard 2 ex-clan people tryed big bodies, I immediatly banned them (FOR LIFE) from the clan, and made it very visible to everyone that they cheated (even if for once, or testing or w/e). The funny thing is 1 joined another clan, R*R, but they blow anyhow even with a cheater. The point is, its not "ok well you cheated but come back in 5 months", if that was the max punishment everytime, im sure cw.cc would be full of cheaters who would take the risk because if they get caught it don't mean shit all. Like they say, once a cheater, always a cheater
