Rogue eXcalibur Nationals is a small, dedicated band of warriors. We pride ourselves in only accepting the very best players into our ranks. I, [RXN]z00t{SS}, am Clan Leader.

We usually play Command & Conquer - Renegade, although we also play Unreal Tournament, Jedi Knight II - Jedi Outcast, Star Trek - Elite Force, and Rogue Spear.

If you are interested in joining [RXN], contact info is available on the clansite and clan forums.
