Really enjoyed the first 15 levels, after this it got really tedious. Just the same ol' stuff every level.

I went as far as level 23 with 300 wizards 250 archers and 100 craftsmen. I was hoping that it would soon come to an end... but considering Crimson has gone up to 50+ i don't think i have the patience to carry on.

All in all a REALLY great flash game, but way too linear after level 15.
