I just thought I'd let any gamer know about our brand new gaming website <http://www.neo-fight.com>. Neo-fight.com is a new Online PC Gaming Tournament site, where by you can play "in your clans or teams" in tournaments for Cash Prizes everyday of the week no matter where u live. We go live on the 21st April 2007 and we hope most of you will come and enjoy the world of tournament gaming for money.

By participating in the tournaments set up by Neo-fight.com you could stand to win instant cash prizes ranging from small to large prizes. Tournaments have only a certain number of players and work on short time scales allowing tournaments to be completed in just one straight swoop (10mins -2 hours completed).

Call of Duty 1 or 2 or UO, Battlefield (which ever gamers want), Quake (WEGW), Wolfenstein enemy territory, Medal of Honor (WEGW) and more... (the more depends on which games gamers want)

Thanks very much for reading, now come and have a look and register at <http://www.neo-fight.com> or join our forum <http://www.neo-fight.com/forum/> (To the admins), we are not trying to steal customers, we don't like that, and to illustrate we don't like it we will gladly allow you to post on our forum, linking back to your site.

Thanks again
Neo
