Wow, those assholes from the Westboro Baptist Church are going to picket the funerals of the poor kids that lost their lives at Virginia Tech. That's sickening.

I can say that I honestly would lose no sleep if I slit all of their throats with a rusty knife.

From their site "godhatesamerica.com"

Quote:WBC to Preach at Funerals of Virginia Tech Dead

WBC will preach at the funerals of the Virginia Tech students killed on campus during a shooting rampage April 16, 2007. You describe this as monumental horror, but you know nothing of horror -- yet. Your bloody tyrant Bush says he is 'horrified' by it all. You know nothing of horror -- yet. Your true horror is coming. "They shall also gird themselves with sackcloth, and horror shall cover them; and shame shall be upon all faces, and baldness upon all their heads" (Eze. 7:18).

Why did this happen, you ask? It's simple. On April 16, 2007, this nation, through the offices of your military and conspirators therewith took a shot at the servants of God -- your marksman was limp and lame and he had terror all around, so he did a lousy job. But what you get for your trouble is that your God shot at you! The LORD your God sent a crazed madman to shoot at your children, and he didn't miss. Get this straight -- God sent this South Korean madman to kill 31 of your children at Virginia Tech. Was God asleep while this took place? Was He on vacation? Of course not. He willed this to happen to punish you for assailing His servants.

Someone run them all over. Please. Well, maybe not the kids. They don't know any better.
