NOW DONT YOU GET IT? Your not liked here or from what i have heard and read your not liked anywhere Kid, as for why you havent been kicked and banned from here is beyond me but i will direct this thread to the appropriate direction, Keep this one thing in mind Kid, you have been reported to the R.C.M.P they have a copy of this cuz i get this feeling your not gonna do the right thing and carry on with you childish ways, well i am 1 whom will not take your crap kid! charges and court will follow , note for ya: you arent the 1st person i have had brought into court for such simular affence's. now Take a long walk off a short peer!. also i am not interested in your reply so dont bother unless you give me more for the R.C.M.P and my lawyer, thats up to you dumbbo.and crimson why is this idiot kid not banned from here yet, i think we all on this forum(prolly the entire net) have had enough of this kid. please do something about him for us all. cuz whom ever is responsible for this site might wanna think a little bit harder about what your allowing from this kid and many others from posts i have read. simply put the law is the law.and i dont need harrasment irl nor does anyone else so why is this allowed here on the net. pls dont answer that, i said it for peeps to hopefully catch my drift. and troop this is your official warning from me as per requested via my lawyer. i am done with this now thx all and sorry about this but some of it needed to be said."

EDIT:2 things to keep in mind, this guy is dirt poor, and I mean DIRT poor, so the only "lawyer" he could possibly get is maybe a welfare legal aid lawyer. R.C.M.P=canadian federal police force so apparently SWAT (part of rcmp) is going to come to my house soon and arrest me too
