Last night i got my self drunk, for no reason. i think i was eatting something.

I don't remeber a thing i did last night. and uh i can't get into Mirc or IRC, musta got banned for something but i don't remeber.

I wake up with a huge hang over. and a messed up room. That didn't take so long to clean up. Im just thankfull that i didn't do anything to my cats.

if anyone was out there last night. and uh, can someone tell me what i did.. or said. also i need N00Bstories IRC to connect to beany's Channel.
