You're pretty damn retarded. If your clan is inactive then just dissolve it from cw.cc. :\ If you would like your wins against Pirate counted, then... wait for it... AR them? The reason that his win counted is because your clan, with your name in it, is on the league, and since it's on the league, its seen as active. If you would like for your clan to be "inactive" then just take it off of cw.cc.
