Quote:Welcome to Sharp Edge Productions - Prank Mail!

Ever wanted to send an email to your friend that appears as if it came from the FBI? or maybe you just wanted to let a work colleague think he might be getting a promotion. Then you have come to the right place. Prank Mail is a free service that lets you send an email to any email address letting you specify the "From :" field. Who they think the email was from is up to you!. Register free here

That is from <http://www.sharpmail.co.uk..> dude its a Prank Mail..
