darksnipa wrote on Fri, 04 May 2007 00:19I have a tip for you:
Try getting some existing models out of BF1942 and other stuff to get started.

Two words.. "Copyright Infringement"

I don't think that the Battlefield creators would agree to ripping the models out of BF1942.

on topic Sounds cool. May think about applying for webmaster and/or textures...
