troopr02 wrote on Fri, 04 May 2007 14:27I was in a few CW's for them, and most of them werent sniping so none of this "sniping division" bs. We won all the games I EVER played with them, and maybe lost a few games according to what I heard at the time. If they didnt win any cw.cc cups thats weird, on 3+ occansiaons when I checked the clan ladder, they were almost always top 10 and a few times in the #1 spot. So as you can see, whoever I have played, I have won (limited eceptions, not including anyone here), or if the person claims I never played them and has a really obvious lie as a excuse, ofcourse, they won't like me to say the least

Wow... You brag a lot. 99.99 % of people who brag about how good they are at games are almost the exact opposite as they say they are. You never proved yourself correct (as I know of) and it seems to me that you are really dodging. Maybe you did beat a lot of people, but did you ever beat any people who are actually played the game over a month? Honestly, I never played you, and I'm not that good, but litterally, STOP BRAGGIN!It's bratty and no one likes it. Just proove yourself worthy, and maybe people would start to respect you.
