darksnipa wrote on Fri, 04 May 2007 04:18 It know the guy sings this:
With the taste of flesh
Behold the secret of creatures in the depth
Man turned animal

and then some more stuff. But I know the voice of the guy saying that and it makes me think it's Legion of Doom or From Autumn to Ashes. But a small question. What's the name of the movie?

Oo cool, thanks for helping me nice info... about movie its texas chainsaw massacre : the beginning... (im check all soundtrack of this movie but nothink) lol this dvd cost me 3\$ (randomly pirated crap)... pls help me more
