darksnipa wrote on Sun, 06 May 2007 04:42Scrin I searched for this DVD on all torrent websites but there are more than a hundred versions of it and all in the same file size. A small question to help this:

- In what language is the DVD?
- Does it contain every subtitle that should be available? (Most people delete the unnecessary subtitles and autiostreams)
- Does the DVD contain a .nfo file with a groupname like RELOADED?

no mate dvd not included .nfo file...and languade is Russian  
and there havent any special features.. only "play movie"  
damn!
