The guy was French, he barely knew how to speak English let alone write it and you guys pass this along like he was a 40 Single White Male living in queens. Let me try to write I hate you in German without using google.

Flugen Tagen

Hmm, didn't go so well. According to the translator I just said "Flights days". I'm 20, he was probably 13 at the time and he did a hell of a lot better than I did in the multi-lingual arts.

Ha ha ha, best piece of comedy I've ever heard. He doesn't know English fluently...hahahahaha!!!111>!>! In Soviet America, language forks you.

I agree whole heartedly with this statement, the mp3 is amusing, but the situation is not.
