[NEFobby[GEN] wrote on Tue, 08 May 2007 22:33]I'd change that, but I think Renardin has to hand down the ability to edit the Mod DB. I can't do it right now, I need to talk to him.

They really shouldn't have percentages in Mod DB either, simply because it's basically impossible to give a percentage to the completion of a mod.

Ye. But a release of a mod. If your already finished, just give 1 month so you can constantly check for bugs. Won't hurt to release it a few days after you're done.
