-Pic/railgun: Bullshit that they can do fucking 100 damage to your tank and you can't hit them or half the time see yourself being hit.

80.

tanks > PICs and Raveshaws. if you think otherwise, you can't handle a tank.

I agree this is stupid

what do I hate? cheats, flaming APCs, bluescreening, and people who whine about "pointwhoring" because they suck too much to do anything about it.
