jsmi12345 wrote on Wed, 16 May 2007 01:37 i dont know my password i made it two years ago and the paper that had it is missing. is it possible to make a new one without reinstalling the game???

just log on with another (non taken) username/password combo and youre fine.  
or ask XWIS (strike-team.net?!?) if they can recover it for you.
