Think this is a good artists impression?

OnTopic: Yeah, There is a T-rex texture and a Squid thing in Renegade, I have no idea what It's for..

The outcome of Renegade is good, But if Westwood had more time to finish it, It would have been better, Alot better.

EA

Yeah, err.. Finish Renegade in 3 weeks, otherwise i drop the contract.

WESTWOOD

Can't be done Mr. EA... We need to finish the models, textures and maps.. 3 weeks isn't enough time... will 3 months be enough?

Look, Just shut the fuck up and get Renegade finished in 3 weeks otherwise I DROP THE CONTRACT.

sigh Fine... But i'm warning you.. It might suck badly... EA might lose out on all the \$\$\$...

3 WEEKS LATER...

Renegade better be finished, It isn't it? Burn the game to 1,000,000 shitty sold out disks and get them on the shelves, Mr. Westwood.

We need to finish off the T-Rex model and the Mutant squid thingy.. This game is uncomplete...
sigh Fine..
